

Sacramento County District Attorney's Office

ANNE MARIE SCHUBERT
District Attorney

Stephen J. Grippi
Chief Deputy

Michael A. Neves
Assistant District Attorney

National Night Out 2018

National Night Out (NNO) is Tuesday, August 7, 2018. NNO is a once-a-year opportunity for citizens, members of public safety, neighborhood watch groups, civic associations, businesses, community organizations and local officials to come together and celebrate safe neighborhoods as well as promote partnerships aimed at preventing crime.

Neighborhood NNO parties will offer a range of family friendly activities, including barbeques, ice cream socials and pool parties.

District Attorney Anne Marie Schubert states, "I encourage Sacramento County citizens to participate in a neighborhood party. NNO is not only a fun night out for the whole family, it also serves to heighten awareness about crime prevention and generates community support and participation in local anti-crime efforts."

Several community prosecutors will be attending events in the neighborhoods they serve, and a District Attorney information table will be available at the South Oak Park/Fruitridge Pocket Fair at Jack Davis Park and at Shasta Park near Cosumnes College. Other representatives from the office will also join their public safety colleagues and neighbors at events across the region.

For more information about neighborhood events, please contact your local law enforcement agency, homeowner or neighborhood association.
