"The Sacramento Sheriff's Office—just like our community—has no tolerance for hate crimes of any kind, and they will be investigated to the fullest extent of our capability, and offenders will be identified and arrested."

"Let me be very clear, hate crimes against a member of any group in our community is an assault on all of us and will not be

In addition to prosecuting hate crime offenses, my office works to educate the community on how to protect themselves and encourages them to report suspected hate crimes.”
